Ray explained the procedures for discussion and comment to be used during this first ever virtual meeting. The minutes of the 1/11/20 meeting were approved by unanimous consent. Ray noted the Youth Bridge allocation was not allocated due to the pandemic. The *Diamond in the Ruff* is continuing for now but discussion will be held on how to economize while fulfilling the By-Laws imperative for publication of a newsletter. Grant Robinson reported he can set the website to count the number of people that access the *DIR* online. Treasurer Jean Barry stated Monterey likely made enough money to cover D21 costs through the end of the year. The Treasurer's Report was approved by unanimous consent. Pam said the bulk of her work right now is getting out of Regional contracts gracefully. Discussion with the Santa Clara Hyatt will begin in July with the most current public health orders. Jackie Zayac reported losing about \$450K/month in sanction fees but has recovered some with the online "regional" and Silver Linings week. There was a vote yesterday on allowing Sectionals/Regionals online and people are being disciplined for online cheating. Cornelia Gould reported the WC distributed \$7K to the member districts. Richard Meffley reported Sectional cancellation updates continue. Ginny Wailes will be distributing Goodwill information in September. Stu gave the NAP/GNT reports. Ray announced that the 2022 Reno NABC Co-Chairs will be Bob Garret and Katherine Ewing. Jean introduced a more cost effective way of providing Regional supplies currently being delivered by Calvin. The storage unit in addition to the van is costing D21 over \$1K/month. This could be reduced by more than half by using PODS. Motion for ending van lease (expiring in November) and consolidation of storage unit supplies with van supplies was moved and carried. Discussion of supplying equipment to Sectionals will be discussed at a later date. Motion made and carried that Pam receives compensation for her Regional services. Ray asked for volunteers to study compliance with AB5 regarding employees. The meeting was adjourned at 12:43 P.M. The next meeting of the Board of Directors of District 21 will be announced.
